

(a) Failure to meet NRCS standards and specifications in the provision of technical services rendering to the extent that the practice is ineffective or environmentally harmful;

(b) Violation of the terms of the Certification Agreement, including but not limited to, a demonstrated lack of understanding of, or an unwillingness or inability to implement, NRCS standards and specifications for a particular practice for which the technical service provider is certified, or the provision of technical services for which the technical service provider is not certified; and

(c) Any other cause of a serious or compelling nature as determined by NRCS that demonstrates the technical service provider's inability to fulfill the terms of the Certification Agreement in providing technical service.

**§ 652.33 Notice of proposed decertification.**

The State Conservationist will send by certified mail, return receipt requested, to the technical service provider proposed for decertification a written Notice of Proposed Decertification, which will contain the cause(s) for decertification, as well as any documentation supporting decertification. In cases where a private sector entity or public agency is being notified of a proposed decertification, any certified individuals working under the auspices of such organization who are also being considered for decertification will receive a separate Notice of Decertification and will be afforded separate appeal rights following the process set forth below.

**§ 652.34 Opportunity to contest decertification.**

To contest decertification, the technical service provider must submit in writing to the State Conservationist, within 20 calendar days from the date of receipt of the Notice of Proposed Decertification, the reasons why the State Conservationist should not decertify, including any mitigating factors as well as any supporting documentation.

**§ 652.35 State Conservationist decision.**

Within 30 calendar days from the date of the notice of proposed decertification, the State Conservationist will issue a written determination. If the State Conservationist decides to decertify, the decision will set forth the reasons for decertification, the period of decertification, and the scope of decertification. If the State Conservationist decides not to decertify the technical service provider, the technical service provider will be given written notice of that determination. The decertification determination will be based on an administrative record, which will be comprised of: The Notice of Proposed Decertification and supporting documents, and, if submitted, the technical service provider's written response and supporting documentation. Both a copy of the decision and administrative record will be sent promptly by certified mail, return receipt requested, to the technical service provider.

**§ 652.36 Appeals of decertification decisions.**

(a) Within 20 calendar days from the date of receipt of the State Conservationist's decertification determination, the technical service provider may appeal, in writing, to the Chief of NRCS. The written appeal must state the reasons for appeal and any arguments in support of those reasons. If the technical service provider fails to appeal, the decision of the State Conservationist is final.

(b) *Final decision.* Within 30 calendar days of receipt of the technical service provider's written appeal, the Chief or his designee, will make a final determination, in writing, based upon the administrative record and any additional information submitted to the Chief by the technical service provider. The decision of the Chief, or his designee, is final and not subject to further administrative review. The Chief's determination will include the reasons for decertification, the period of decertification, and the scope of decertification.

**§ 652.37 Period of decertification.**

The period of decertification will not exceed three years in duration and will
